

ME UET, M24

Electronic module of impact electronic fuze for drone KOMARAC

TECHNICAL CHARACTERISTICS :

- Power supply
 - Settable blocking time
 - 30 s Additional safety – electronic arming
 - Working temperature
 - Shelf life (min)
- Operating voltage 5V (from the drone)
Default blocking time – 30 s
- Impact function, - Directed function
-30°C - +50°C
15 years
